PRIVATE

A HELICOPTER MAKES THE WORLD A SIMPLER PLACE.

It does away with obstacles of time and distance. With a helicopter, you are within easy reach of your family, your staff, your yacht, the powdery slopes and skyscrapers... all become instantly accessible. BLUEBERRY AVIATION makes the acquisition of this sophisticated machine a simple task. BLUEBERRY AVIATION puts the power of its global network and the talent of its experts at your disposal.

"Simplicity is the ultimate sophistication"

AN INTERNATIONAL PLAYER AT YOUR SERVICE

BLUEBERRY AVIATION PRIVATE, part of the BLUEBERRY AVIATION, is the world's leading helicopter sales firm. BLUEBERRY AVIATION takes you through each step of your helicopter acquisition process (new or preowned), from selecting the perfect model for you, to handing you the keys to your own helicopter.

DEFINE

Not any helicopter... Your helicopter.

Your needs are unique. Only you know what they are. The first step to your project is to talk with our experts, so they are fully familiar with your lifestyle, travel needs, frequent destinations, number of passengers and luggage on board... This information is crucial in selecting the best helicopter for you, tailored specifically to your user profile.

CHOOSE

The privilege of a global network

It's a complex business choosing the right helicopter. A successful purchase requires knowledge of the many models on offer and the many players on the market. BLUEBERRY AVIATION PRIVATE offers a solid professional network of corporate and private owners. Our discreet network means that we have access to helicopters which may not be on the open market.

DEVELOP

A sense of ultimate luxury

BLUEBERRY AVIATION PRIVATE can make sure you get just the right helicopter for you...customise your interior, personalise your paint scheme, select the finest leather seating, sophisticated sound system and any additional features you may wish for... our technical specialists can make it happen.

ASSIST

Expert command of all aspects of your purchase

Technical, Financial and Administrative. We oversee it all. BLUEBERRY AVIATION PRIVATE will scan and analyse the market prices for you. Our technicians will look after all things technical so that you don't have to worry. Our team will take care of the whole acquisition process right up to delivery. Leaving you carefree. Now, enjoy your Helicopter.
